

# **Pump/Turbo Core Check Off List**

**\*\*IMPORTANT: Please complete. Call if questions \*\***

\_\_\_\_\_

## **ROTARY PUMPS-IF SEIZED, MAY NOT RECEIVE FULL CORE CREDIT!!!!**

**\*\*Cores with severe water damage, or severe (acidic) damage from vegetable oil fuel, etc. may not receive full core credit.**

\_\_\_\_\_

**Cores must be returned COMPLETE.**

**Damaged, Disassembled cores OR missing parts (thrust buttons, valves, nuts, actuators, etc.) will be charged for.**

**\*Cores not returned within 30 days may not receive full, or any, core credit.**

**\*If the engine quit running & is a no start, the pump may be seized**

\_\_\_\_\_

**6.9L/7.3L injection pump cores - If name on pump tag is "International Fuel Systems" or "Tomco", head & rotor assembly must be tested before core credit is issued. If head & rotor assembly is bad, full core credit is not issued.**

\_\_\_\_\_

**Verify that pump numbers are the same**

\_\_\_\_\_

**Swap over necessary fittings or linkages**

\_\_\_\_\_

**Drain fuel/oil from pump (if core leaks it could be held up in hazmat by delivery service).**

\_\_\_\_\_

**Double bag core for shipment**

\_\_\_\_\_

**Use sufficient packaging to prevent impact damage during shipping.**

\_\_\_\_\_

**Enclose copy of invoice (would be helpful)**
